

## Creating a Canvas Quiz

What do I do about quizzes/exams for student? Quizzes and exams can be created in Canvas with a variety of questions types – True/False, Multiple choice, Multiple Answers, Essays, Matching, and Fill-in-the-Blanks.

If you have them in a word document, you will just need to modify it and sent to Department of Academic Technology (815-740-5080 or [dat@stfrancis.edu](mailto:dat@stfrancis.edu) ). (see [guidelines](#) for Word document)

If you have a file from the publisher, please contact Department of Academic Technology (815-740-5080 or [dat@stfrancis.edu](mailto:dat@stfrancis.edu)) for assistance.
